Progress Bursary Card

All students joining us in September 2014 are eligible for a free Bursary Card, these will be issued at registration during enrolment. If you missed enrolment you will be able to get a Bursary Card from the John Smith's student stores at Docklands and Stratford.

You can still get a Bursary Card even if you're not eligible for the Progress Bursary. This means that you, your parent/guardian or anyone that would like to support you in your studies can add money to your card to be used in the John Smith's Student Store.

Progress Bursary Credit

Home and EU students, who meet the eligibility criteria, may be awarded up to £900 Progress Bursary Credit over the course of their studies. This can be spent on study related items to help support you during your time at UEL.

How do you qualify for Progress Bursary Credit?

In order to qualify for your UEL Progress Bursary Credit you must:

- Submit all pieces of your coursework and assignments before the deadline
- Attend all of your exams
- Have a good attendance record
- Not breach UEL regulations, in particular all pieces of assessment must be your own work

When will you receive your Progress Bursary Credit?

If you're successful, after the Christmas break, your Progress Bursary Card will automatically be loaded with credit. Log on to your UEL Bursary account through UEL Direct to check.

John Smith "Bursary Advance" Scheme

You can receive a partial advance of up to £150 on your UEL Progress Bursary, which means you can take away the books, stationery, art materials, and selected study essentials you need at the start of the year. You need to make an application to John Smith's to take part in this offer – see in store for terms and conditions.

Use it or lose it!

Any Progress Bursary awards you receive will be kept on your Bursary Card for the duration of your studies at UEL. However, once you graduate you won't be able to use your Bursary Card.
