

Linguaphone - Spanish

Description

A Learn a Language course from Linguaphone supports you on your first steps to speaking a new language. From greetings and everyday vocabulary, to pronunciation and grammar, a Learn a Language course will help you speak your chosen language confidently. Going on holiday or a business trip? All our courses will enable you to engage you in a conversation and help you learn over 500 new words.

Each online language course includes over 30 structured audio lessons and a PDF companion course book to support your learning. The courses are packed with fun exercises and tests which follow Linguaphone's popular listen, understand, and speak methodology.

Features:

- Over 30 audio lessons - downloadable in MP3 format
- Full ebook guide - works with iPads, Smartphones and Kindle devices
- Study online - access anywhere in the world

We should include the below in the language courses:

- Includes full-colour course guide in a PDF format which can be downloaded to your laptop or Smartphone (iPhone/Windows Phone/Google Android phone)

Developed by Linguaphone, the world's leading publisher of self-study language courses, this course is the perfect way to begin learning a language. Starting with greetings, this online course will teach basic grammar, pronunciation's vocabulary. This structured course has over 30 lessons spread over 8 units.

The online PDF course guide pulls together and explains the spoken material meaning that the trainee will get a grasp of their chosen language quickly and easily. There is a printable vocabulary sheet for ease of use.

Covers:

- Meeting people for the first time
- Asking a question, ordering food and drink
- Starting a conversation, getting to know someone
- Talking about friends and family
- Finding your way around and asking directions
- Talking about your home and where you live
- Hiring a car and sightseeing

All recordings are bilingual, so you can study by simply listening to the lessons. The courses are all online and can be accessed from anywhere in the world on a computer with Internet access. The courses can also be downloaded onto your MP3 player to listen to on the go.

About Linguaphone

Linguaphone is a world-leading provider of self-study and classroom-based language courses. Established in 1901, Linguaphone pioneered language learning and now their courses are available online and in downloadable formats. The language courses allow learners to study at their own pace supported by Linguaphone's proven methodology 'Listen, Understand, Speak'.
